Dear Mitchell:

It was a pleasure having you and your band play at our first jazz event. We appreciate the professionalism you demonstrated from the moment we contacted you, to the moment you and your band packed up your musical instruments once the event was over. Your choice of music was just right for what we were trying to accomplish—a smooth jam that everyone could enjoy.

Our guests said they really enjoyed your performance. One guest described your music as nice and mellow. I think it's safe to say that we all enjoyed the line dancing music you played during your break. That really put us in a party mood. We also enjoyed the contemporary tunes you played. We wish you further success in the future and look forward to working with you again. Thank you again for your professionalism and for making our first event an enjoyable and memorable one!

Sincerely,
